

Faithfulness springs forth from the earth, and righteousness looks down from heaven. The Lord will indeed give what is good, and our land will yield its harvest. Righteousness goes before him and prepares the way for his steps. —*Psalms 85:11-13*

MISSION NEWS

This is the end of the semester. There are many of the students who have been coming to events who are graduating. Most of these will then be looking for jobs. At this time, jobs are pretty scarce.

Pray for Andy and Debbie. They are in this category. They will be graduating in a couple weeks and then will have about 10 weeks to find a job in their field. They have been in our house twice this past semester and we have really enjoyed getting to know them and share a couple meals together. We are hoping to be able to continue contact with them. They are Hindu and don't have visible interest in learning about Christianity. We are praying for more opportunities to share with them.

Also, please pray for Jennifer and Fred. They are a married couple who got jobs on different sides of the country. We are praying that a job would open up in the same area so they can live as husband and wife again. They both trusted Christ last year, and I meet with them on Zoom every week for Bible study. They ask some challenging questions. For example, Jennifer said she was confused about the trinity. I did my best to explain what scripture says but this is a concept that is very challenging to try to explain.

Thank you so much for your prayers and support. We continue to pray for your ministry also.

“Hallelujah! Praise the One who set me free/Hallelujah! Death has lost its grip on me/You have broken ev’ry chain, there’s salvation in Your name/Jesus Christ, my Living Hope!” (Brian Johnson/Phil Wickham)

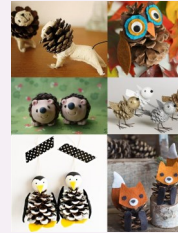

As we hear about the faith of our forefathers and sing praise to the One who is our Living Hope, let us remember that Jesus Christ is our ONLY hope, and that as believers we walk by faith, not by sight! (2 Cor. 5:7) *Linda*

Operation Christmas Child Collections

For the month of **May** we will be collecting *crafts*.

The **Keenagers** will meet in Fellowship Hall for our monthly pitch-in lunch on Thursday, May 16 at noon. The main entrée will be pulled pork. Our hostess/hosts are Ann and Dick Baker and Jay Fumia. You don't want to miss this program: “Bones Appetite”! “Bones Appetite” consists of four trombone players that entertain audiences with a variety of music that we all enjoy.

Women’s Resource Center Baby Bottle Campaign begins on Mother’s Day. Take a baby bottle and collect spare change inside. Return the filled bottle by Father’s Day. Or you can scan the QR code now to donate! Your donation rescues babies from abortion and spreads the Gospel to parents. Please find baby bottles on the table in the Narthex.

We, at the Women’s Resource Center, are immensely grateful for your commitment to our pro-life cause. Your dedication inspires us to continue our important work, and we are writing to ask for your help in expanding our volunteer efforts.

At this time, we are seeking the following volunteers:

1. Spanish Translator - We need two volunteers who can commit to translating for clients twice a week. This capacity would be as a client care advocate and/or receptionist. Training is provided.
2. Meal Preparer - We are looking for two volunteers to join a rotation preparing meals for our encouraging moms group, which meets twice a month. At the moment, we have two Montgomery County groups already meeting, and we’re working on starting two groups in Fountain County.
3. Volunteer Nurse - We need two nurses to rotate every other Friday from 12 pm to 4 pm. Or just one nurse who would like to volunteer every Friday. Your willingness to donate your time and talents would be deeply appreciated. If you are interested in any of these roles, please let us know. Together, we can continue to make a meaningful difference in our community.

Thank you for your consideration and your steadfast support. *For Life, Patti Harvey*
